Trinity Filtration Technologies Pvt. Ltd.

<https://www.indiamart.com/trinityfiltration/>

Trinity Filtration Technologies is the leader in the Designing, Manufacturing and Marketing of advanced filtration, High efficiency separation products and systems and Hydraulic Oil Purification System serving the Indian Industry.

About Us

We, Trinity Filtration Technologies Pvt. Ltd., established ourselves in the year 2009. Trinity Filtration Technologies Pvt. Ltd. is busy in Exporting, Manufacturing, Distributing, Importing of Liquid Filters and Cartridges, Coolant and Metal Working Fluid systems, Industrial Filter Housing, Fabricated Strainers Within the very short span of time, we have established ourselves as an eminent manufacturer and supplier of advanced system which includes Filter Cartridges, Filtration Systems, Filter Housings, Separation Systems and Ultra Filtration Products. By having efficiency separation systems serving to enable us to lead in the market. We are well known for the features like easy to install, easy to clean, safe to use, longer functional life and trouble-free performance. The optimum qualities of raw material have been used in the manufacturing process to ensure perfect quality of filters. Raw material has been availed from trustworthy and reliable vendors of the market. Before the final delivery, each and every product is gone through quality check procedure, which is conducted on certain parameters of industry norms.

To serve with enthusiasm & integrity, our organization owes well-trained and qualified engineers, which supports us to handle complex processes. In order to execute all our activities effectively and systematically, we are having world-class infrastructure. Our products find wide applications in the field of Bio-Pharmaceutical, Food &...

FILTER CARTRIDGES

Lenticular Filter Housing

Spun Bonded Filter Cartridge

PP Blanket Media Filter Cartridge

PP Cartridge Filter

LIQUID BAG FILTERS

Bag Filter Assembly

PP Filter Bag

Liquid Filter Bags

Oil Bag Filters

Pure GUARD Bi-Component
Fibre Filter Cartridges

Water Filter Cartridge

String Wound Filter Cartridge

Pp Wound Filter Cartridges

ULTRA-FILTRATION MEMBRANES

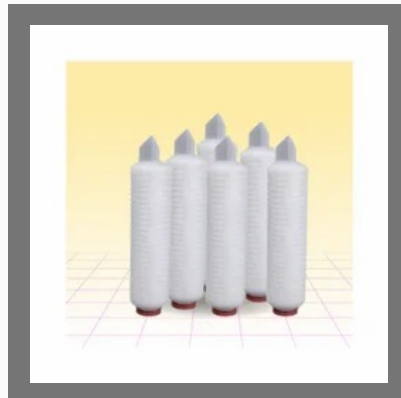

FAST Automotive Ultra Filtration Membrane

Ultrafiltration Membranes for Automotive E-Coat

Automotive E Coat Ultra Filtration Membranes

PTFE Membrane Filters

INDUSTRIAL FILTER HOUSING

Bag Filter Housings

Cartridge Filter Housing

Industrial Filter Housings

Stainless Steel Bag Filter Housings

OIL PURIFICATION SYSTEMS

Mobile Filtration Systems

Hydraulic Oil Filtration Systems

Oil Filtration System

Skid Mounted Filtration Systems

SANITARY FILTER HOUSINGS

Sanitary Filter Housings

Sanitary Vent Filter

Tank Vent Filter

Tank Vent Filter

STERILE MEMBRANE FILTERS

PTFE Membrane Filters
Cartridges

PES Sterilizing Grade Filters

Steri PRO PV series PVDF
Filters

FABRICATED STRAINERS

Fabricated Basket Strainers

SS Basket Strainers

Fabricated Y Type Strainer

OTHER PRODUCTS:

Micron Cartridge Filter

Oil Absorbent Bag Filters

Industrial Filters

Ultrafiltration Membrane Systems

OTHER PRODUCTS:

Stainless Steel Bag Filter Housings

Oil Purification Systems

Dual Flow Bag Filters

Dual Flow Bag Filter

OTHER PRODUCTS:

Self Cleaning Filter Systems

Self Cleaning Magnetic Separator

Steri- PRO Capsule Filters

Hydrophobic Air Bacterial Filter

Factsheet

Year of Establishment	: 2009
Nature of Business	: Exporter and Manufacturer
Total Number of Employees	: 11 to 25 People
