Trio Remedies Private Limited

<https://www.indiamart.com/trioremedies/>

The leading manufacturers of various pharmaceutical formulations. The end products offered in form of general tablet, general capsules, injectable and general dry Syrup are well acknowledged for their purity and effectiveness values.

About Us

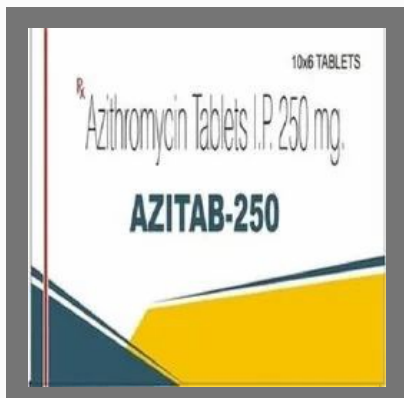

Established in the year 1989, at Ahmadabad, Gujarat, India, we “**Trio Remedies Private Limited,**” are one of the leading manufacturers of allopathic formulations. These include anti-biotic, anti-bacterial and anti-malarial medicines, anti diabetic pharmaceutical drugs and anti-ulcerative and anti-emetic capsules, dry syrup and liquid oral products and haematinic, anti-oxidants, multi vitamins and nutritional products. other than these, we also offer anti-inflammatory, analgesic, anti-spasmodic, anti-pyretic and anti-cold products and pharmaceutical tablets. Our business operations are led by Mr. Manubhai Dadhania (B. Pharm), who is the Chairman & Managing Director of the company. He is well supported in the involved operations by Mr. Hiren Dadhania, the Director of the company. Their visionary guidance & service approach has helped us to successfully handle the emerging demands of the market as well as grow as a company. This can be seen from the very fact that presently, we are manufacturing and marketing more than 100 Allopathic formulations. Today, with our presence in more than 19 Therapeutic segments, we are marketing our entire product portfolio to all over India. Further, we are also exporting formulations to African countries & Arabian countries as well as are also gradually expanding our global presence in other regions. Further, we have also developed our competence towards providing targeted assistance in coping...
