Chemisynth

<https://www.indiamart.com/trisiscorp/>

Trisis Corp & other group companies are engaged in 3rd party manufacturing & Private Label manufacturing. Products manufactured are in home care & laundry care.

About Us

Our flagship company '**Chemisynth**' was incepted in 1974 as a small manufacturing unit to manufacture Linear Alkyl Benzene Sulphonic Acid (LABSA). Soon we were able to manufacture diversified range of industrial wetting agents, institutional and home cleaners and laundry detergents.

Our manufacturing units in Himachal Pradesh are located in the **EXCISE FREE ZONE** of Baddi near Chandigarh. Both our units Trisis Corp & Paclean Ventures are fully equipped with all government registration & NOC's from Pollution Board etc. Drug registration licenses have been obtained in both the units to manufacture disinfectants. Having served our clients effectively & punctually over the years, our list of buyers has expanded exponentially in the last few years.
