

# Triumph Mfg. India Private Limited

<https://www.indiamart.com/triumphtradelink/>

We are one of the leading manufacturers, suppliers, traders and exporters of a wide range of surgical disposable products. Our products are safe to use, hygienic and uncontaminated for which they are reliably used in surgeries.

## About Us

Established in the year 2011, Triumph Manufacturing (India) Private Limited are counted among the emerging manufacturers, suppliers, traders and exporters of a wide range of surgical disposables. Keeping sync with the developments and inventions in health sector, mainly in drugs, pharmaceuticals and disposable segment, we are providing special, accurate and excellent range of products that can be reliably used at surgeries. Located at green and pollution-free outskirts of Ahmedabad, we are facilitated with all requisite amenities and are backed by a team of expert professionals. The result of which is timely delivery of precision designed range of products to our clients at a cost effective manner.

Our products are made using high grade polymers that ensure safety, durability and reliability of use. Further, our products are thoroughly tested and sterilized to ensure that these are safe to use and free from germs. We also facilitate our clients with customization options. With the passage of time, we are also widening our horizon by penetrating into global market. Under the able guidance of our mentor, Mr. Keshav Singh Rathore, we are rapidly heading towards success. His sharp business acumen, deep industry knowledge and support are the driving forces that motivate us to excel the market. We are well established in the market, we have been able to establish a strong foothold in the domain by manufacturing and marketing quality range of Surgical Disposables....
