About Us

TEPL take the pleasure to introduce over selves as **Dealer/Distributor** in Electricals & Industrial Goods and as such solicited your favour of enlistment for your esteemed enquiries from time to time against your requirements.

Being based at Delhi, the biggest distribution center for Electrical Goods in Northern India, we wish to render our services to cater your organization for the supply of Electrical & Industrial Goods.

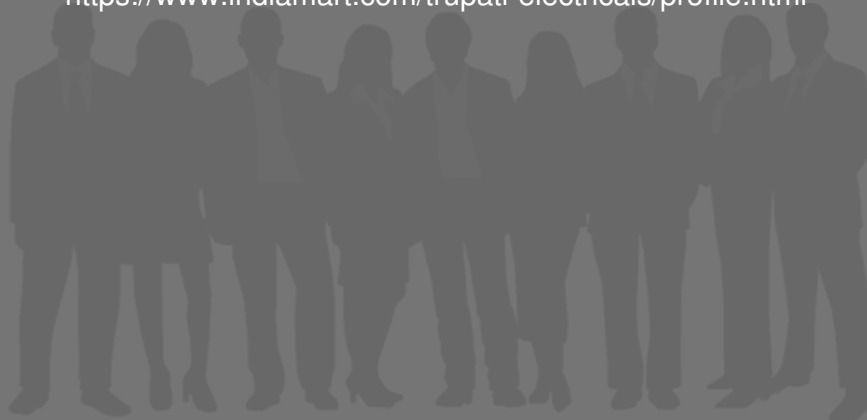

We provide end-to-end solutions for lighting projects, switchgear upgrades, a local or wide area networks, or even a half half-mile of electrical conduit, and we deliver it when and where it is needed through an effective supply chain because we understand the client's needs and the importance of meeting deadlines.

We have gained a reputation for maintaining one of the industry's mostcomprehensive products lines. Our inventory is tailored to meet the needs of both commercial and industrial contractors as well as utilities, plant maintenance and repair operations and original equipment's manufacturer contracts and provide services to **ENGINEERING, CONSTRUCTION, ENGINEERING, HOTEL, LIGHTING INDUSTRY, IT SECTORS**. Our products and the number of LIGHTING client's speak volumes of the quality of our products with competitive prices, which are unrivaled in the markets.

Integrity, Excellence and Results are the pillars of **TEPL** client service philosophy. Integrity is at the heart of...
