We are engaged in manufacturing and supplying of HVACR systems. We provide sales, installation and servicing of central air conditioning in south india. Our products are widely used in households and various industries.

## About Us

Started in the year **1987**, the company, Trust Aircon Private Limited, was headquartered in Adyar. The current business has been built upon the initial profile of providing consultancy in **Air Conditioning & Refrigeration Systems**. Subsequently, we expanded its scope to include design, service and Project Co-ordination aspects. Meanwhile, we moved our headquarters to Chennai to cater to our growing customer base. Since then the company has grown in strength and possesses the capability of meeting the various needs of its Customers. Additionally, we have acquired a strong foothold in the southern part of India where we have been operating since decades. **We are looking for inquiries from South India region including Andhra Pradesh, Karnataka, Kerala and Tamil Nadu and cities like Bangalore, Chennai and Hyderabad.**

We at **Trust Aircon Private Limited**, have successfully broadened our scope of activities to include sales, installation and servicing of **Central Air Conditioning, Process Chillers, Water Brine Chilling Plants, Clean Room Air Conditioning** and **Cold Storage Products**, their maintenance and after sales service. Our Company has a wide network of channel partners and service providers who enable us to meet customer requirements. Our important service branches are located at Madurai and Coimbatore. We provide you with the finest and most comprehensive range of services, to take care of your air-conditioning system....
