

Tulsi Foods

<https://www.indiamart.com/tulsifoodsnacks/>

We are the prominent Manufacturer, Exporter & Supplier of Fryum Snacks, Edible Snacks, etc. These are widely used for premium quality and pungent flavor. No added impurities are added and are available with safe and hygienic packaging.

About Us

Incorporated in the year **2009**, at **Rajkot, (Gujarat, India)**, we “**Tulsi Food & Snacks**” are recognized as prominent **Manufacturer, Exporter** and **Supplier** of premium quality range of **Fryum Snacks, Edible Snacks** and **Papad Pipes**, etc. Our products are processed using quality approved ingredients and preservatives at our hi-tech processing unit in conformity to defined industry standards with the help of advance machinery and tools. These products are highly appreciated among the clients for their delicious taste, purity, high nutritional value and longer shelf life. The major reason that led to our quick success in the market is our efficient production methodologies and hygienic & healthy food items. In addition to this, we provide the offered range in various packaging options as per the variegated needs of our clients.

We are backed by State-of-the-art infrastructural unit which is fully equipped with all the modern machines and sophisticated technology which enables us to process our products as per the international quality standards using premium quality ingredients in the precise composition. Further, we have developed a separate quality testing unit, where our team of quality controllers conducts stringent checks of these products at each and every stage of the production process on certain parameters like purity, composition and quality. Our advanced processing unit enables us to cater the bulk...
