About Us

Established in the year **2004**, we “**Tushar Fashion**”, are engaged in trading and supplying **Readymade Mens Wear**. The entire clothing product line is designed and manufactured using high-grade raw material & advanced technology at our vendor's production units. Proper amalgamation of attractive colors and contemporary look has been the specialty of ours, which resulted in emergence of a huge client base as comparison to our competitors.

Our loyalty towards customers has been honest since beginning, due to which we have established a strong stand with most of the clients. Backed by strong logistics facility, we provide the delivery of our products in a time lined manner. For running the organization, we have employed highly dedicated, talented and qualified professionals. Moreover, we are the first choice for the best selection of styles when it comes to wholesale clothing.

Under the patronage of our mentor, '**Mr. Naresh Malhotra**', we have carved a niche for ourselves among the customers in the market. Apart from this, he has given his utmost cooperation and understanding to the organization with his knowledge in this domain.
