About Us

Established in the year **2011**, at New Delhi (India), we, “**UB Physio Solutions**,” are renowned as a leading manufacturer, supplier and trader of medically proved Physio Therapy Product, Electro Therapy Product, Beauty & Slimming Products and Health Solutions. Our offered products are precisely manufactured and designed using premium grade metal and contemporary technology as per the international medical standards. Further, these equipments are highly endorsed by the doctors and widely demanded in the market. Available in various width, length, weight and auto locking, these equipment provide quick heal from the problem. Additionally, these products are cherished among the clients for their ergonomic design, easy to operate & adjust, low maintenance, light weight, auto locking, low maintenance, custom design, shock proof and comfortable hand grip style. Further, the offered range of products is available in various packaging options at industry competent prices. For our remarkable contribution in this domain, we have awarded by ISO 9001:2008 certifications. With the assistance of modern machines and technology, we have been able to process our range of products in compliance with the international standards. We have developed separate quality testing unit, where our team of quality inspectors conducts stringent checks on the products at each stage of the production against various quality parameters. Our advanced production unit enables...
