Unfurling the designing talent of India, we introduce ourselves as one of the prominent organization, engaged in exporting and supplying of a wide array of home furnishing items, bedspreads applique running materials, cushion covers.

## About Us

We introduce ourselves as one of the prominent organization who provides quality & appropriate business development services for the training & promotion of rural women and entrepreneurs and promote UJAS (Udyam Jagaran Sansthan) which is women producer organization involved in exporting, supplying and distributing a variety of home furnishing products.

We are engaged in exporting, supplying and distributing of a wide variety of **home furnishing items, fabrics and fashion accessories**, with applique work and embroidery work. Some of the popular products are cushion covers, bed spreads, table napkins, curtains, hand bags and cell phone pouches, among many others. These products are exclusively handmade and are a perfect piece of art to adorn. Owing to their elegant styles and unique designs, these are extensively demanded by our clients all across the globe. Designed with elegance by talented artisans, our range represents the passion for art, lifestyle and essence of rural craftsmanship.

**UJAS** works to social and economical development for backwards, scheduled tribes and all type of rural and slums women. We provide skill training and basic knowledge to rural women and help them to improve their position in the community. We encourage these women to become independent entrepreneurs.

We work as an extended family and encourage each member that showcases talent, creativity and commitment. By creating a global supply chain, we...
