We are a recognized manufacturer, supplier & exporter of excellent quality Polypropylene Sheet. The range of sheets offered by us has earned immense acknowledgment from our worldwide clients due to premium quality & extensive features.

About Us

Established in the year **2005**, we, “**U. K. Polyplast**”, have come in to sight as an industry leading manufacturer, supplier and exporter of **Polypropylene Sheets**. Our products cater to the demands of various areas including Printing, Fabrication, Stationery, Packaging & Making Promotional Products. These products are highly acclaimed by clients because of their salient features like durability, toughness, transparency and long life.

Marking its strong presence in the global market, our organization has developed a strong & worldwide sales and distribution network spread across the various continents like **Gulf, Asia Pacific, and Africa & Europe**. Further, some of the major markets in which we deal in are **Indian Subcontinent, East/Middle, North and South/West Africa, East, North and South/West Europe and Middle East**.

Under the able guidance of our mentor, “**Mr. Umesh Sharma**”, our organization climbed the pinnacles of the success in few years of its establishment. His sharp business acumen and farsightedness always assist us in maintaining the prominence of our organization in this arena of tough competition.
