Ultra Tech

<https://www.indiamart.com/ultratech/>

We are one of the pioneers in the field of environmental consultancy & laboratory services and provide STP, ETP, WTP projects on turnkey basis.

About Us

Established in 1986, Ultra Tech. Environmental Consultancy & Laboratory has its humble roots in Thane, Maharashtra where its inspiration was captured in the form of a small firm which has now grown into a respected organization spread over numerous locations. We are highly capable of provide a spectrum of advisory and consultancy services for domains such as **Environmental Consultancy Services, Project Consultancy & Turnkey Project Services and Environmental Laboratory Services.**

We are widely known and appreciated for high standard of services. The company is a gazetted organization which has been approved and recognized by the Ministry of Environment and Forests (MoEF) of the Government of India. In our endeavors to constantly improve our services and upgrade our standards we have initiated our efforts towards gaining accreditation like NABET and ISO 9001:2008 QMS certifications. ULTRA-TECH Environmental Laboratory - Gazetted by Ministry of Environment and Forests [MoEF], Government of India - is committed for providing environmental laboratory services to its valuable clients. Well equipped research and analytical laboratory based in Thane is playing a vital role in environmental analysis and monitoring of various environmental medias like air, water, wastewater, soil, sludge, noise stack etc.
