https://www.indiamart.com/umm-technologies/
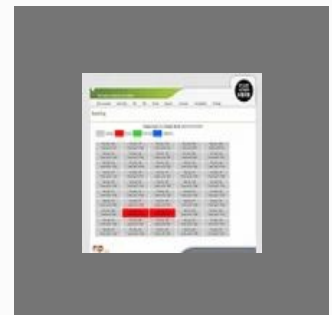

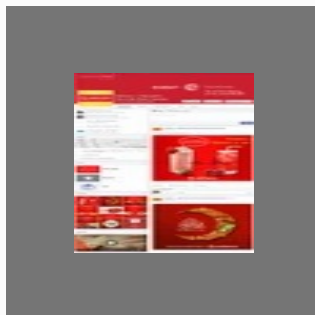

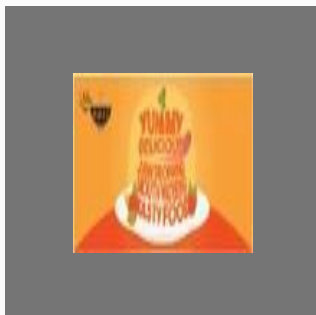

UMM Studios deals with designing different materials from logos to catalogs.
UMM Technologies provides technology solutions which includes creation of websites, applications and online portals.

# About Us

Established in the year **2008**, we**, "UMM Studios"** are providing excellent **Advertising and Marketing** services**.** The services offered by us comply with the set industry norms and are appreciated for their promptness and reliability. Further, our association with some of the leading NGOs enables us to contribute in various social causes like child development and individual upliftment.

We started as a team of young and vibrant entrepreneurs during our high school and started fabricating Shorts using cutting-edge technology. Our adept professionals are a sea of knowledge & experience and enable us to offer reliable solutions with the ability to shift investment to strategic initiatives rather than mere tactical functions. They enable us to offer cost-efficient services that are widely demanded by our clients from banking & medical sectors, educational institutions, construction companies and engineering industry.
