https://www.indiamart.com/unicardtechnologies/

We are the most prominent manufacturer, supplier, distributor, wholesaler and retailer of Building Management System, Management Software, Security Camera and many more. We are also the service provider for Software Development Service.

About Us

Unicard Technologies Private Limited started its business activities as a **Trader and Manufacturer** of wide range of office automation and security solutions. Our business units are located at **Coimbatore, Tamil Nadu (India)** and we are executing our entire business activities as a **Private Limited Company** since our very start in the year **1992** in this industry. Our wide range of products comprises of **Card Printer, CCTV Camera, Biometric System** and many more in the list. Our products ranges are reliable for use as they are manufactured as per the confined parameters of the industry. They are highly portable and compact in designing. Our company is also the **service provider** for **Software Development Service** in this industry. In today's competitive era, our main focus is to excel our customer satisfaction by providing them qualitative services and superior quality product range. As, we are able to understand the diverse demands of the customers, we provide them qualitative product range as per their specific requirement.   Under the guidance of **Mr. Vinoth Kumar**, designated as a **Business Development Manager** in the company, our company has achieved heights of excellence in the market. He has effective business development skills by which we are getting a consistent growth in this industry. He personally involves with the employees of the company and shares his knowledge...
