Unique Medical Appliances

<https://www.indiamart.com/unique-medical-appliances/>

We are an ISO 9001:2008 certified organization, engaged in manufacturing, supplying, exporting and importing an array of Medical & Surgical Equipment. These products are widely used in hospitals, clinics and medical colleges.

About Us

Established in the year **1995**, we, “**Unique Medical Appliances**”, have placed ourselves alongside the top-notch manufacturers, suppliers, exporters and importers of **Medical & Surgical Equipment**. These products have the ability to withstand extreme temperature ranges. We also offer our clients after sales services for these products.

Owing to our qualitative facets of products we offer, we have been able to earn the prestigious certification from **ISO 9001:2008**. Moreover, we have also received Trade Mark Certificate of Registration from the Government of India. For the production of our impeccable range of equipment, our procurement executives obtain superlative quality raw material from established vendors of the industry. All production related operations are performed at our staunch infrastructure. To accomplish utmost satisfaction from our clients, we have adopted a customer friendly approach. Due to that, we have been able to garner trust and respect amongst our clients such as **Kokilaben Dhirubhai Ambani Hospital Mumbai, Nair Hospital Mumbai, Hinduja Hospital Mumbai, Noor Hospital Mumbai, L&T Medical Center Mumbai** and **Terna Sahyadri Hospital Navi Mumbai**.

Our organization runs under the mentor-ship of '**Mr. Viji Cheriyan**'. His managing skills and vast experience of the domain have allowed us to achieve immense success and augment a wide distribution network in Indian cities like **Lucknow**,...
