## About Us

**Unique Tiles** is a majorly acclaimed name in the arena of **Rubber Mould Floor Tiles and Pavers**. Coming into force in **2010**, Unique Tiles has been relied by a concrete base of huge clientele around the country. Based in Jaipur, Rajasthan, the company has its own manufacturing unit and supplying infrastructure which is a vital ingredient of the company's satisfied clientele.

Unique Tiles deals with the manufacturing of rubber mould products like Rubber Mould Paving Blocks and Floor Tiles at large. Rubber Mould tiles are better than hydraulic tiles. We have become a popular name in the rubber moulds for tiles field since 4 years of our existence in the industry.
