About Us

Established in the year **2002**, we, '**Sajavat Sales Agency**', are a reputed organization, engaged in manufacturing, supplying and exporting a range of **All Types of Plastic dishes, Bone China Dishes, Plastic Plates**. . Along with these, we offer **Plastic Dinner sets** and many more products. All our products are made using quality approved raw material in compliance with industry set norms. To meet the distinguish requirements of the clients, we offer all our products in different sizes and specifications. The products we offer are widely appreciated by the clients for their durability, seamless finishing and resistance against abrasion. Further, our entire range is dispatched for the patrons' premises after successfully passing some stringent quality exams. A modernized infrastructure facility is developed by us for executing all the trade activities in a streamlined manner. This facility is armed with varied essential machines, tools and technologies that are required for hassle-free production and post-production of offered range. Our warehouse is properly linked with varied shipment modes like roads, ports and stations, which benefits the logistic experts in providing prompt delivery of orders. All our experts work in complete sync with one another to achieve the organizational goals in an efficient way and on-time. A team of interactive experts take regular feedback from the clients to know their views about our range and then serve,...
