About Us

Established in the year **1999**, we, '**Smart Bakers**', are engaged in trading, supplying and exporting a wide range of **Polycarbonate Chocolate Mold** and **Silicone Bakeware**. We make sure to source the entire range of our products from the most reliable and renowned vendors of the industry. Our products are widely demanded by our customers due to their standard quality, flexibility and optimum durability. We ensure to deliver our products within the stipulated time frame to our customers in India as well as **Indian Subcontinent, East Asia, Middle East** and **South East Asia** via our wide distribution network. Moreover, our vendors employ skilled and proficient workforce, which assists in manufacturing a range of flawless products in the best possible manner. They make sure that the products are manufactured as per the specifications and needs of our customers. We have a sound warehouse, which assists us in storing the range of our procured products in an organized and safe manner. Our quality auditors check the quality of the procured products on varied quality parameters to ensure that our customers get a range of flawless products. Moreover, we make sure to offer these products at industry leading prices to meet the financial constraints of our customers. Our mentor, '**Mr. M. Ali Hamidani**', has taken our organization to the new heights of success by his constant hard work and efforts. He inspires and influences...
