<https://www.indiamart.com/unitedsolarengineering/>

We have renowned name in manufacturing, supply and exporting in wide range of Solar Power Saving, Air Cooling, Water Heating and Solar Lighting System. Our products are well known for their unmatched quality, high performance and long lasting life.

## About Us

Established in the year 2005, at Mohali, Punjab (India), we, “**United Solar Engineering & Technologies,**” We are an **ISO 9001:2008 certified company**, engaged in **manufacturing, supplying, trading, wholesaling and exporting** of a wide range of **Solar Energy Products**. Our product range includes **Power Saving and Power Backup Systems** such as **Solar Air Coolers, Solar Blinkers, Solar Home Lightning Systems, Solar Inverters, Solar Water Heating Systems and Solar Wheel Chairs in Chandigarh, Himachal Pradesh, Punjab and Haryana**. Our product range is known for its **unmatched quality, high performance and long lasting life** and thus caters to various industries, which include **Telecoms, Power Establishments, Industrial Houses and Individuals**. We are equipped with a manufacturing unit, which has latest technology machines and equipment, used for production of our products. These machines are operated by our experienced staff and are taken care of on a regular basis. Further, we have a team of experts, which helps us in undertaking **Solar turnkey projects and annual maintenance contracts**. Our regular research activities in the industry, helps us to look forward for updating the technology, which will bring newer concepts in the area of **Power and Electronics**. Our business operations are led by our mentor, **Mr. Barjesh Kumar**, who has a...
