## About Us

Universal Engineering & Trading has carved a niche in the market. The company was commenced as a Partnership based firm. We are highly known in the market as a Wholesaler, Distributor and Supplier. We have a wide range of all type of Wireless Paging System, JMW Guard Patrol System and more. Our organization provides complete training to the team members to make them aware about the organizational objectives and goals so that they deliver the best possible customer satisfaction. The offered products are well tested upon numerous quality stages before the final delivery. We never compromise with quality.
