About Us

Founded in the year **2004**, **Universal Mould & Engineering Works** has carved a pioneer position in the market. We are a **Sole Proprietorship** based firm and located our office at **Kolkata**. We are engaged in **manufacturing** and **supplying** a wide range of **Double Stitching Machine, Single Stitching Machine, Heavy Duty Stitching Machine** and many more. We offer our products under the brand name of Zubi (own brand). Additionally, we also render **Stitching Machine Repairing Service**. “ZUBI” consist of two types of stitching (single / double stitch) in its 4 (four) different models of Portable bag closing sewing machines viz. UN-C (a single thread, single needle, single chain stitch); UN-A (a double thread, double needle parallel chain stitch); UN-X (an extraordinary heavy duty double thread, double needle, parallel chain stitch) and UN-AT (a double thread, double needle, parallel chain stitch along with exclusive 3D Hologram Tape). This range of sewing machines exclusively stands up to the most demanding sewing jobs on all kinds of small and large bags used for animal feeds, chemicals, fertilizers, agricultural products (rice, wheat, sugar etc.), Industrial products as well as paper, textile and much more.
