UTEX events is a complete event management company that fits the need of every individual client and provides direction to any event.

About Us

Universal Trade Exhibitions Introduced with the objective of promoting India's foreign trade. We facilitate and encourage participation of Indian exporters at international trade fairs worldwide especially for the newly open areas. We also assist overseas trade delegations to seek business opportunities within India, which helps Indian Industries to have more business in co-operation. **UTEX** gives great chances and remarkable advantages to every client, to meet the right buyers, in right time, with right platform, which makes the deal, and get their own share in the new market. We do this by virtue of our partnership with leading organizers in the international market. We continuously improve our level of services as per required market trend, as we are quality & process driven.
