About Us

Uptodate Impex Pvt. Ltd. Specializes in Fashion Accessories like Bags, Scarfs & Home Furnishing, with an objective of exporting quality Indian Products to overseas markets. Ever since its inception, Uptodate has woven a tale of success by exporting quality driven merchandise in creative & innovative designs and also by keeping itself uptodate with the latest trends. This year we have opened a new factory at Noida with all the necessary infrastructure. This season we have started working with a french designer named Ms. Iris Strill, her creativity is best suited with Contemporary fashion empowered by her experience which reflect perfection with a variety of colour & design. As part of our Corporate Social Responsibilities, towards our community, we have associated ourselves with an NGO run by former Street children now youth""s named "Lakshya". Also we are actively promoting the use of Organic cottons, to help save our environment from the harmful Pesticides & Insecticides used for growing cotton. As per WHO, every year more then 30,00,000 reported disease are directly attributed to agricultural pesticides used for cotton cultivation in developing countries. This season we are also promoting Silk, which is made without killing the silk worms, by boiling the cocoons in Hot water. We call it the Ahinsa (non-violent) Silk, in this the silk worm cuts through the cocoon & files off as a beautiful moth, before we unravel the silk yarn. Also continuing this year our latest exclusive...
