Ureka Engineers

<https://www.indiamart.com/urekaengineers/>

We are one of the Leading Civil Consultant & Service Provider Organization & also engaged in marketing of Imported Survey Equipments & its Accessories. We also undertake Civil Engineering Surveys.

About Us

Established in the year **1982**, we "**Ureka Engineers**", have positioned ourselves as one of the leading **Civil Engineering consultant and service provider**. We are also suppliers of Civil Engineering survey equipments and accessories like **Total Station, DGPS, RTK, Digital Level, Prism & Poles, Data Downloading Cable and Tripod stands**. We are empowered by a team of professionals, which includes architect, designers, civil engineers and other professional engineers. Our team of professionals carries an extensive research in order to introduce new and updated methods in the operations that are currently prevailing in the market. Owing to their contributed efforts, we have been able to cater to the existing market requirements. We procure our products from the reliable and trustworthy vendors of the market. Our experts make sure that the products go through certain quality tests before the final dispatch. Quality tests are being conducted by our quality inspection unit which enables us to assort a flawless array of products and render proactive services to our clients Under the superlative guidance of our mentor, '**Mr Rahul Verma**', we have been able to carve a niche for ourselves. His in-depth and vast industry experience have enabled us to reach the pinnacle of success.
