About Us

Urmil Udyog is an **ISO 9001:2008** certified company and also registered with Bureau of Indian Standards, National Small Scale Industries Corporation Ltd., Directorate Of Industries, Punjab and many other Govt. Departments from the last 16 years and quality conscious organization that aims at delivering a highly specialized range of quality products. Quality checks are conducted at every stage under the supervision of technical experts to ensure that only high quality products are being manufactured.

Our product has been laid on Indo-Pak Border & Indo-Bengal Border which has been supplied through Defence Departments, Air Force, Navy, Govt. Contractors & Central Government Departments with 100% performance. The test conducted by the inspection authorities have found our products precisely as per the standard specifications laid down by Directorate General of Quality Assurance, Pune.
