About Us

Usha Group was founded in 1992 to market all types of capacitors. We have started our manufacturing in L.V. & H.V. Capacitors under the brand name of “Usha Power” for capacitors, meters, series reactors, harmonic filter panel and all types of electrical switch board. Usha introduced in its manufacturing program a wide range of LV capacitors under ISI mark and CPRI approvals. In all these years we have been able to develop one of the largest ranges of low voltage and medium voltage capacitors, and power factor correction panel which have allowed achieving very remarkable project around the country and abroad.

CAPACITORS

Cylindrical Super Heavy Duty Capacitors

Indoor Fixed Bank

Indoor Fixed Bank

Cylindrical Gas filled Capacitors

CONTROL PANELS

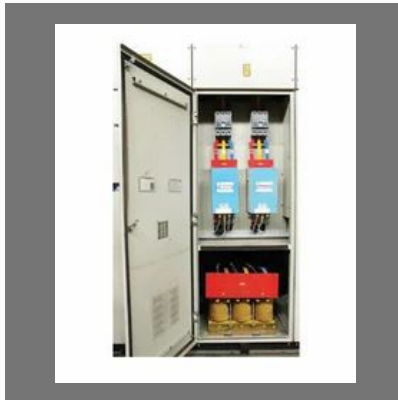

APFC Contactor Switch

Harmonic Filter APFC Panels

APFC Panel with Thyristor Switch

Harmonic Filter APFC Panels with Thyristor Switch

RELAYS

Three Phase-Single CT

Three Phase 3 CT

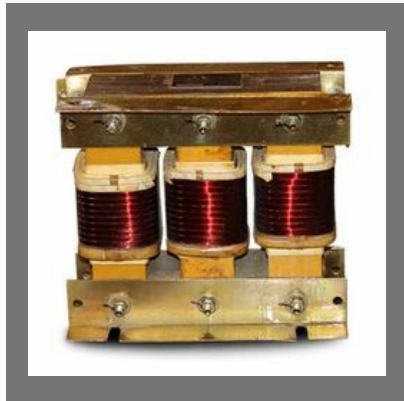

Single Phase Single CT

HT Power Factor Controller

SERIES REACTOR

LV Series Reactor

MV Series Reactor

Series Reactors

series-reactor-lv-

OTHER PRODUCTS:

Cylindrical Jelly Filled Capacitors

HT Control Panels

Electrical Turnkey Projects

Pdb Panel

OTHER PRODUCTS:

Thyristor Switch

Thyristor Switch

Water Cooled Capacitor

Factsheet

Year of Establishment	: 1992
Nature of Business	: Manufacturer
