<https://www.indiamart.com/uttaranchalmetals/>

We are an ISO 9001:2008 Certified entity engaged in Manufacturing, Exporting and Supplying of Copper Alloy Products, Copper Tubes, Cupro Nickel Tubes and Brass Tubes. These are known for their easy to install, durability and lightweight.

About Us

Incepted in the year **2007**, at **Delhi, India**, we “**Uttaranchal Metals Pvt. Ltd.**” are engaged in **manufacturing and supplying of Copper Alloy Products, Copper Tubes, Cupro Nickel Tubes and Brass Tubes**. These products are manufactured by our experienced professionals using high quality raw material and latest technology in adherence to the international quality standards. Acknowledged for their features like light weight, sturdy design, superior quality, perfect finish, easy to install, dimensional accuracy and high strength, these products are highly demanded among our clients. In order to meet varied demand of our clients, these products are available in different specifications. Our offered products are tested on various quality parameters by our quality controllers to ensure their quality at user's end.

We have state-of-the-art infrastructural set up that spreads over a wide area. This infrastructure is categorized into several sub-units like procurement, manufacturing, quality control, sales & marketing, R&D and warehousing & packaging. This infrastructural unit is installed with modern tools and machinery that helps us to successfully meet specific needs of our valuable clients. For the systematic and easy process, the entire work is supervised by our professionals who have rich knowledge and experience in the domain. Under the direction of our Director “**Mr. Saurabh...**”
