About Us

Welcome to the flourishing world of “**Vaga Exports**”. We deal with the export of fashion garments in India & abroad. Vaga Exports was established in the year **2008**. Our exhaustive range includes **Cotton Leggings, Viscose 4 Way Leggings, Churidar Leggings, Lace Leggings, Printed Leggings, Ankle Length Leggings, Capri Leggings** and **Ladies Fancy Leggings**. The collection we offer is designed by experienced and creative fashion designers, utilizing the best quality fabric and their in-depth knowledge in this domain. We can also make available this range in a number of sizes, designs, colors and other related specifications as per the needs of clients. Moreover, we value customer satisfaction a lot and keep it as a primary consideration at every step of our business operations. Be with us to know why we're the best in business. We offer our product under the brand name of “**S.VAGA-The Ethnic Touch**”.

The one & only focus of our collection is to provide customer satisfaction with breathtaking designing & quality fabrics. The company deals with both the Indian & the overseas markets. Customers can expect best quality products and post business services from us. We believe in having long term business with our customers & our dedication to customer satisfaction and the vision of being the best in business help us to achieve that.

We are a sole proprietorship...
