## About Us

Vaibhav Global Limited (VGL) is an electronic retailer of discount fashion jewelry and lifestyle accessories in the US, Canada, UK and Republic of Ireland. We have access to over 100 million households in these countries through our own TV Shopping networks - Liquidation Channel in USA and Canada, The Jewellery Channel in UK and Republic of Ireland. Our TV shopping channels reach customers directly 24x7 on all the major cable, satellite and DTH platforms - Dish TV, Direc TV, Comcast, Verizon Fios, Time Warner, AT&T, Sky, Virgin, Freeview, and Freesat etc. Our e-commerce websites in the US [liquidationchannel](http://liquidationchannel.com) and UK [thejewellerychannel.tv](http://thejewellerychannel.tv) complement our TV coverage, while diversifying customer engagement.

In addition to electronic Retailing, VGL Group engages in traditional B2B wholesale distribution through STS Jewels, serving various retail chains in USA and UK.

Our strategy is to deliver a deep value proposition to the customer, through lowest price guarantee. Our focus is on the discount seeking buyer, a market that has historically delivered secular growth across various stages of the economic cycle. Our customer proposition is supported by vertical integration with a strong supply chain infrastructure, which includes manufacturing operations in Jaipur and direct sourcing from micro markets in China, India, Thailand, Indonesia and other SE Asian, African & American countries.
