## About Us

Established in the year **1992**, we, “ **Vaishnavi Auto Electricals**”, are a leading trader and supplier of **Batteries & Inverters** which include **Exide INVA Tubular, Exide Inva Queen Battery, Exide Inva Red Battery, Battery - Exide, Power Inverter, Sukam Inverter, Luminous Inverter, Microtek Inverter (UPS), Exide Freedom Batteries, Exide Matrix Batteries, Exide Industrial Batteries, Exide Max Batteries, Exide Bikerz Batteries**. Our entire range of products is known for its high efficiency, performance and low maintenance. Furthermore, we are engaged in providing services to **maintenance of the Batteries & Inverters**. These are widely appreciated for their durability and reliability. We are backed by a state-of-the-art warehousing facility that ensures safe and secured storage of the products. The procuring agents are responsible for timely procurement of products, so that we can deliver the products to the clients within the specified time frame. Moreover, we have appointed after sales support staff, which provides support in terms of installation, operational training and user manual. A dedicated team of quality professionals checks every product for transportation damage or defect. Under the guidance of our mentor, '**Mr. Ganesh**', we have carved a niche for ourselves. His excellent managerial skills and ethical business policies have helped us a lot in delivering the...
