About Us

Established in the year **2002**, **Vaishnavi Food Products** is one of the illustrious **manufacturers** and **suppliers** of a collection of **Fresh Besan, Farsan Flour, Rice Flour, Wheat Flour, Maize Flour, Gram Flour and Corn Flour**. The whole collection of our products is widely recognized and acknowledged amongst our customers for its high nutritional value, reliability, moisture proof packing, supreme quality, longer shelf life, rich aroma, purity and easy to digest. The offered products are prepared and processed under the association and command of qualified professionals by using supreme quality ingredients in whole tandem with the well-defined norms and standards of industry. Along with this, we offer these products in many packing options in order to offer the varied demands and requirements of our respected customers. Patron can purchase the provided products from us at affordable rates. We have created a huge and well-installed infrastructure unit within our premises, which is well fortified with the important facilities and tackles. Specially developed for the assured and proper storing of huge and bulk packages, this facility supports us in competently meeting the vital demands of the patrons. Along with this, our warehouse is gracefully segregated into varied units, confirming simple access and retrieval of our products. Along with this, there is a crew of professionals, which is responsible for keeping the products in a...
