About Us

Today, Vaishnavi Jewels is the yardstick of success. The saga of 'Rags to Riches'. The story of Fairy tales- Unbelievable! Yet behind every success story is mid-night oil burned, hard labour, dedication, determination and crystallised perception of goal. Success is not a matter of chance. It is a well-crafted destiny.

Today, we have a huge client base around the globe.

Vaishnavi Jewels is focused at offering customers a pleasant jewelry experience. Since inception, we have endeavored to make diamonds more accessible, transactions more convenient and the experience, as fulfilling as possible.

We pride on our policy of fairness. Every item of jewelry carries a Guarantee Certificate that spells out the genuineness of metal and stone. All items of jewelry are replaced free of cost, in case of any manufacturing defect. Also, if you are not satisfied with the jewellery purchased, we refund your money.

By looking at diamond jewelry through the eyes of customers, we have grown exponentially and are patronized by tens of thousands of customers around the world.
