# Valiant Overseas

<https://www.indiamart.com/valiantoverseas/>

We are a manufacturer, supplier, importer & exporter of a wide range of auto parts, ceramic tiles, hardware fittings & paper products. Our range is acclaimed for its innovative designs and sturdy construction.

## About Us

Established in the year **2008**, we, '**Valiant Overseas**', are one of the preeminent Supplier & **Exporter** of a comprehensive range of **Ceramic Tiles, Hardware Fittings and Paper Products**. Our product line is used in various industries such as automobile and construction. Leveraging on a state-of-the-art infrastructure and a competent workforce, we are meeting the ever increasing requirements of the industries. We make use of automatic and manual machines to manufacture our range. For the same, we can manufacture our range as per the requirements of the clients. Our product line is thoroughly tested on various parameters to ensure its conformity with international quality standards. We import the requisite raw material from China and export to African Countries & Gulf Countries. Under the able guidance of our mentor, '**Mr. Kalrav Malaviya**', our firm has grown by leaps and bounds. He is propelling the organization towards success with his sharp business acumen, in-depth industry experience and motivating leadership.
