About Us

We, at Vallabh Steels & Vardhman Industries, are one amongst the eminent manufacturers and exporters of an array of products made from premium grade metals. With clients scattered over different parts of India and abroad, **our product range includes: MS ERW black and galvanized pipes (GI pipe), CR sheets/coils, precision tubes / HR ERW hollow sections / sheets (RHS/SHS), galvanized sheets/ coils (GP/GC) and prepainted galvanized steel coils / aluminum-alloy/ galvalume – zincalum.** With a vast experience in the industry and renown for continuously upgrading our products and technology, we have created a niche for ourselves in the customer mind space. Our products conform to their needs and specifications and are of the highest standards in the industry. We also manufacture scaffolding and fencing tubes which makes our product portfolio all-encompassing. **We are an ISO 9001 accredited public limited company with an annual turnover of approx. USD 1200 million.**
