We are one of the leading manufacturers, suppliers and exporters of all types of Juices. The various juices offered by us are widely appreciated for their high nutritional value, safe to consume, freshness and delicious taste.

## About Us

Established in the year **2011**, we, “**Vanaushadhi Udyog**”, are a newly entrant firm engaged in manufacturing, supplying and exporting all types of **Juices**. Known for their various health benefits, these juices are extracted using natural & fresh fruits, amla, neem and other ingredients. The juices offered by us meet the international quality standards; thus, making these safe for consumption. These juices help to cure various heart & lungs related diseases along with blood pressure, asthma, obesity and many other ailments. We have appointed a team of competent professionals, which works for the overall development of the organization. These professionals maintain hygienic standards while extracting the juices. Further, we have recruited experienced quality controllers, which supervises all the stages of the extraction process. They assure that all the juices offered by us are in accordance with the hygienic standards. Furthermore, for the convenience of our clients, we accept payment through cheque, DD and LC. Owing to our total quality management, we have been able to nurture a huge client-base across the Indian Subcontinent. Following the footsteps of our proprietor, '**Mr. Santosh Gaikwad**', we have been able to achieve new heights of success. His years of experience, transparent policies and detailed knowledge of the domain have enabled us to maintain long lasting relations with the clients countrywide.
