

Vandana Sarees

<https://www.indiamart.com/vandana-sarees/>

We are a reliable and trusted manufacturer and supplier of a wide assortment of embroidery sarees. Our easy to wash range is known for its salient attributes such as color fastness, high tear strength and perfect fitting.

About Us

Established in the year **2008**, we '**Vandana Sarees**' are engaged in manufacturing and supplying quality array of Embroidery Sarees. Our collection of embroidery sarees are available in wide variety of colours, patterns and designs. We put emphasis on quality production, as a result of our stringent quality policy, we have been able to meet the exact demands of our global clients effectively. We keep in mind the requirements of our clients and accordingly, manufacture our products using sophisticated facilities. Our professionals are well aware of clients' exact demands and hence, enable us to meet the same in a flawless manner. We have an experienced research & development department, good financial position and large production facility inside our infrastructure. Moreover, we are aware of the latest fashion trends. Under the able guidance of our mentor, **Mr. Deepak Patel**, we have attained a niche in the domestic markets of India. His ethical business practices along with our large production line, easy payment options, timely delivery of the range and customized solution make us a favored choice of our clients.
