About Us

Established in the year **1975**, at **Surat (Gujarat, India)**, we “**Vap Chem**” are recognized as the well-renowned **manufacturer** and **supplier** of an excellent quality range of **Textile Auxiliaries, Disperse Dyes, Reactive Dyes, Glitter Powder, Pigment Powder, Pigment Dispersion For Paper**, etc. The chemicals provided by us are precisely processed in the most appropriate environment under the guidance of our highly experienced and dedicated professionals. We are an **ISO 9001:2008 & 14001:2004** certified company. Our offered chemicals are processed using premium quality chemical compounds with the aid of advanced processing techniques in tune with set market standards. These chemicals are highly appreciated in the market for their salient features such as enhanced shelf life, high effectiveness, safe usage, high reactivity, precise pH value, precisely processed and accurate composition. In addition to this, our clients can easily avail these chemicals from us in numerous packaging options at very reasonable price within the estimated time span. Our team of experts also imparts the best quality **Value Added Printing Services** to our clients.

In order to process these chemicals in a precise manner, we have set-up an ultra-modern and innovative infrastructure facility. Our infrastructural facility is well-equipped with advanced machines, equipment and technology in order to enhance the production capacity. Our...
