<https://www.indiamart.com/varadindustries-pune/>

We are **manufacturer** of **Safety Gloves, Eye Safety Goggle, Ear Safety Products, Safety Shoes, etc.**

## About Us

Situated in **Pune (Maharashtra, India)**, “**Varad Industries**” since commencement in the year **2011** is a principal manufacturer of **Safety Gloves, Cotton Materials, Eye Safety Goggle, Ear Safety Products, Safety Shoes, etc.** We always try hard to offer our clients with a superior range of products to meet their varied needs. Delivering premium-quality products within the set time-frame is our forte. Moreover, the competitive rates at which we present our products have enabled us to attain strong position in the industry. The remarkable management of our team members and the superb direction of industry experts hired by us help us immensely in becoming a reliable organization.

Our ultramodern infrastructure unit has all the essential machinery needed for achieving vast production. These advanced machines are capable of delivering a bulk quantity of products in a set time period using the minimum possible inputs. Abide by meticulous quality-checking; these machines are tested for their aptness on a regular basis to avoid delays in production. Our research team frequently carries out improvements to boost the product quality. To attain the trust of our patrons, we make sure that only fault-free products are supplied to them within the assured time-period. We are a quality-centric entity, which only focuses on offering superlative grade products to the clients. Under the practical leadership of “**Mr. Mangesh...**”
