We are known as an eminent manufacturer, supplier and exporter of an attractive assortment of Ceramic Wall Tiles. Acknowledged for their durability, strength, abrasion resistance and smooth finish, our products is highly demanded in the market.

## About Us

Established in the year **2003**, we, “ **Vegas Ceramic**”, have become one of the most renowned names engaged in manufacturing, supplying and exporting a comprehensive spectrum of **Ceramic Wall Tiles**. This entire range of magnificent tiles is crafted using premium grade ceramic sourced from reputed merchandisers. Carved using latest machinery, these tiles are admired for their attractive appearance, splendid finish and high strength. These tiles are highly demanded by the clients based across **Central America, North Europe, Middle East, South/West Europe** and many more for their eye catching designs, premium quality, smooth surface and intricate patterns. We are known as a quality-conscious organization, which understands the specific needs of the clients and offer our products in compliance with the specifications laid by the customers. With a good financial position & TQM, we have a large production capacity. We manufactured these tiles using superior quality raw material acquired through most trust worthy vendors. Besides, the manufacturing facility is armed with all the advanced machinery that significantly reduces the production time and also ensure maximum utilization of resources. Moreover, we accept payment via. various easy modes to facilitate prompt monetary transactions. Under the able guidance of our owner, “**Mr. Anil Bhai**”, we have been able to reach the heights of success. He has always supported...
