

Venus Techno Chem Pvt. Ltd.

<https://www.indiamart.com/venus-techno-chem/>

Manufacturer and exporter of sulphuric acid plants, single superphosphate plants and triple super phosphate plants.

About Us

Venus Technochem Group started in 1993 by the formation of Venus Technochem Pvt. Ltd., which was founded by a Technocrat with 40 yrs of industry experience in Sulfuric Acid, Fertilizer and Specialty Chemical Industries. The company started as a merchant export company supplying Specialty chemicals to the Pharmaceutical, Plastics, Dyes, Electronics and UV-EB industries. Our massive infrastructure facility permits us to meet the bulk requirements of our clients without any compromise in quality. Our industrial expertise and vast experience help us in meeting the business demands of powder coating machines & painting machines.
