We are a leading organization occupied in **Manufacturer, Wholesaler and Trader** a broad assortment of **Electronic Weight Machines, Electronic Pocket Scales, Plastic Card Holders and Plastic Bottle etc.**

## About Us

Recognized among our clients across the world, we, "**Verma Brothers**", established in the year **2016**, are considered to be one of the leading **Manufacturer, Wholesaler and Trader** of **Electronic Weight Machines, Electronic Pocket Scales, Plastic Card Holders and Plastic Bottle etc.** The offered products are used in various commercial and industrial applications for the purpose of measuring the mass and weight of different materials in the most efficient manner. Their ease of operations, measurement accuracy and longer serving life, make these scales highly demanded in various commercial, industrial establishments. Fabricated with supremacy, we guarantee that only finest-class basic material along with avant-garde tools and machines is utilized in their production process. The day when we initiated our journey, we were focused towards offering our customers, best-in-class products and maintained this belief, throughout our journey. We have followed ethical business practices and enabled our firm to deliver products, incomparable in configuration & performance. The warehousing unit founded by us is very spacious and divided into segments for a safe as well as systematic storage of the products.

Our mentor, "**Mr. Bheemsen Bhorawal**", is instrumental in our success in this domain. His in-depth knowledge has enabled us to garner a huge clientele.
