

# Versalight Polymers

<https://www.indiamart.com/versalight-polymers/>

We are manufacturer, supplier, exporter and retailer of an excellent range of Industrial Products and Supplies. These products are highly availed for their high tensile strength, user friendly designs, easy installation and durability.

## About Us

Established in the year 2012, we “**Glow Bright**” are the prominent manufacturers, suppliers, exporter and retailer of a quality approved range of **Industrial Products and Supplies**. Under this category we offer products like Multi Wall Polycarbonate Sheets, Polycarbonate Base-Plate, Corrugated Polycarbonate Sheets, Gyro Turbo Ventilators, Standing Seam System, Polycarbonate Acoustic Barriers and Polycarbonate Glazing & Facades For Balconies. **We are also offering Fabrication and Installation services of Polycarbonate Sheets.** We have employed sophisticated technology and top grade factor inputs and components in the manufacturing process to ensure their flawless performance and optimum quality at the customer's end. Our products are extensively used in various industries for their features like high tensile strength, user friendly operations, longer functional life, resistance against corrosion & extreme weather conditions and industry leading prices. Our hired quality analysts keep a stringent eye on every level of production to ensure international quality standards in our product range. Further, we test all the manufactured products in our quality testing laboratory for eliminating any scope of flaw and ensuring reliable performance. We make use of quality tested packaging material in packing these products and guaranteeing protection from the external harms till the final delivery takes place.

We have built a state-of-the-art...
