About Us

Vishnu Products is established in the year 2015. Vishnu Products warmly welcomes you to a world of premium quality homemade eatables, delicious snacks and sweets. We have a history that we are proud of and have been providing our customers with a tasteful, fresh and nourishing experience for more than six decades. Vishnu's products comply with stringent international quality norms. Hence they are exported to USA, Canada, Australia, Singapore etc. Which are the most quality-conscious countries in the world.

We have in-house courier service to export eatables at very reasonable rates. As usual, our products & service remain superior and affordable to all classes of customers. These products are consumed widely and best known in the market for their premium quality. All these products are made available in numerous packaging options to choose from. Besides, clients can avail these products from us in bulk quantities and at affordable prices within a given time frame.
