About Us

From the day of commencement in the year **2014**, we **VG Natural Extract** is counted among the renowned business in the industry as we are engaged in offering pure and fresh products which include **Herbal Extract**, **Green Coffee Beans** and **Food Color Additives**. The company has located it's headquarter at **Tamil Nadu, India** and working in a **Partnership** based firm. These products are in wide use all across the nation for the immense utility they render to users owing to their inherent natural qualities. Owing to our garnered efficiency we have attained a position in the market where we are known for offering extract which is considered amongst best in world. Our testing departments help us to test the purity of entire range to make sure the best quality reaches the end clients. To meet our processing demands we procure our raw material from established network and owing to excellent quality production we are catering to the huge market all across the nation. Processing of natural products and their extraction is a sophisticated process and minor errors can result in huge failure in achieving desired results. Therefore, we have embarked the success of the organization by providing quality ranges of products at competitive prices. The organization is huge and so are the various processes which run parallel to meet various demands of business under the direction of **Mr. V.P. Sathyamurthi (CEO)** who is assigned to take care...
