K. P. International

<https://www.indiamart.com/viera/>

Our enterprise is involved in Manufacturing, Exporting and Trading a varied range of Industrial Fasteners & Components like Nuts & Bolts, Washers, Kits & Brackets, Hoses, Sleeves, Bushes, Nipples, etc.

About Us

Established in the year 1999, at Ludhiana (Punjab, India), we, “**VIERA**,” are reputed manufacturer, exporter and supplier of **Nuts & Bolts, Washers, Kits & Brackets, Fasteners and Industrial Components**. Array of our products comprises **Cap Nuts, Plug Bolt Collar Type, Hub Bolts, Peugeot Nut with Washer, Hub Bolt Washers, Accelerator Ends, Axle Stud Sleeves, Steel Bushes**, etc. Our offered products are widely made with **CNC machine** and used in automobile, engineering, steel and other related industries. These products are appreciated by our clients due to the features like abrasion resistance, excellent corrosion resistance, accurate dimensions, reliable functionality and high tensile strength. Moreover, the provided products are available in different sizes, shapes and dimensions as per the diverse requirements of our esteemed customers, at affordable prices. We possess a state-of-the-art infrastructural facility that is divided into various sub-units including manufacturing, testing lab and warehousing & packaging. Our manufacturing unit is equipped with all the requisite and advanced machinery and technology. In order to handle our production facility in an efficient manner, a team of dexterous professionals has been appointed by us. In our proficient squad, we have technical staff, researchers and sales executives who have been employed by us only after analyzing their experience and knowledge in the...
