We are a paramount organization that is engaged in **Manufacturing and Wholesaling** a wide array of **Carbon Powder**.

About Us

Established in the year 2008, we, “Vinayak Industries”, are a paramount organization that is engaged in **Manufacturing and Wholesaling** a vast array of **Carbon Powder**. **Our range of products encompasses Carbon Blacks, Graphite Powders And Flakes, Graphite & Plastic Granules, Water Soluble Carbon Blacks, etc.** The range made available by us is manufactured using excellent quality carbon and graphite raw material. The range made available by us is manufactured using excellent quality carbon, which is sourced from most trustworthy and reliable vendors of market with the aid of our procuring agents. All our products are highly appreciated by customers owing to their intrusive attributes such as longer shelf life, accurate composition, purity and effectiveness. Moreover, to cater to the diverse requirements of customers, we offer these products in various specifications as per customers' requirements at market-leading prices. A multifaceted infrastructure facility is developed by us for carrying out the business processes in a swift manner. This facility is empowered with latest machines and equipment that are essentially required in the manufacturing process. Also, we have constructed a capacious warehousing unit at our premises for safe storage of the offered range. Proper segmentation of this unit has been done to store the products systematically under their respective categories....
