About Us

Incorporated in **1998**, **Vinay Industries, Pune** was established to cater to the growing demand for highly advanced industrial machineries. Since then we have been engaged in the **Manufacturer**, **Exporter** and **Supplier** of a wide range of high quality **Industrial Production Plants**. The extensive range of products included in this area comprise of high speed and efficient **PVC Profile Section Plant, Rigid PVC Pipe Plant, PVC Wire and Cable Plant, Two Layer HDPE Pipe Plant, Cooler Mixer, Blown Film Plant, Scrape Grinder, Sand Mill, High Speed Stirrer, Ball Mill, Metal Bobbin, Flexible Pipe Forming Machine, PVC Pipe Extrusion Plant** and many more. Each of these products in our inventory are engineered skilfully using the best available material in the industry and cutting edge technology. All the material used in their fabrication is genuine and reliable sourced from reputed vendors in the industry. It is their excellent craftsmanship and premium manufacturing technology that delivers them an outstanding finish, durability, reliable operation and appreciative technology. Further guaranteeing the quality of these innovative products is the team of highly qualified quality controllers employed with us. These professionals use innovative technology and sophisticated equipment to test all the manufactured products for strict quality compliance and manufacturing & technical defects. All the professionals in our company are selected from the finest...
