We are an illustrious manufacturer and supplier of **Medical Enclosure, Lab Equipments and Steel Furniture Items**. Our Products are appreciated among our clients for their enticing designs, fine polishing and resistance to corrosion.

About Us

Established in the year **2001**, we, '**Vishal Steel Product, Vadodara**', are known for manufacturing and supplying an impeccable range of **Medical Enclosure, Lab Equipments and Steel Furniture Items**. Each of our furniture items are aesthetically appealing, comfortable and can be availed in various eye-catching & creative designs. These furniture items are ideal to be used for offices, retail store, hotels, educational institutions, corporate houses, MNCs and government organizations. Furthermore, manufactured with the use of softwood, hardwood, steel and other grade material, these furniture items are carved using latest tools & craftsmanship to ensure durable finish standards.

We get the support of our professionals, who possess in-depth product knowledge and experience in this domain. These professionals make sure to maintain a decorum of professionalism in the entire business operations. Our craftsmen are capable of carving each furniture as per the clients' choice & preferences. Furthermore, our patrons have the leverage to avail these furniture items via convenient payment modes like **cash**, **cheuqe** and **DD**. Under the visionary guidance of our mentor, '**Mr. Babubhai Panchal**', we have carved a niche for ourselves in this domain. His rich experience and management skills have enabled us to operate efficiently & fulfill various requirements of the clients on-time.
