

# Vishwas Industries

<https://www.indiamart.com/vishwas-industries/>

We are one of the leading manufacturers and suppliers of all types of **Industrial Concrete Products, Concrete Covering Blocks, Concrete Blocks, Designer Paving Bricks, Concrete Bricks, White Cement Bricks** etc.

## About Us

**Vishwas Industries** was established in the year **2000** with a mission of offering the high quality concrete products to the clients of **India**. Based in **Mangalore**, a coastal place of **Karnataka**, Our firm has spread far and wide all over India. The new concrete covering blocks under the brand names of **'EXCEL'** are the special products that have been an innovative venture undertaken by us. These have the **4 in 1** multidimensional capacity of covering areas of various millimeters like 20, 25, 40 and 50 mm. The concerted steps, that we follow in our business operations, have built a name for ourselves in the industry. We are highly resourceful in terms of experience, expertise, team, machines and optimum production practices. We do not lag behind in any aspects of business operation and we are known for following customer oriented practices.

Manufacturing concrete products in the most suitable environment of our production unit using the most advanced technologies, we have occupied far and wide markets. Our ever growing company follows the highest standards that conform to international standards in building quality of products, by adopting features for our products and following the business practices. The customization offers and the standard prices have appealed our customers and the construction companies prefer our products because of the fine quality and good services that we offer. We have...
