# Vision Plast

<https://www.indiamart.com/visionplast/>

We are one of the prominent manufacturer and supplier of a wide range of plastic products including bottles, caps, jars, plastic containers, plastic caps and fans. These products are durable, heat resistant and cost effective by nature.

## About Us

Established in the year 2003, **Vision Plast** is one of the renowned manufacturers and suppliers of a wide range of **plastic products including bottles, caps, jars and containers**. These products are durable, resistant to heat, cost effective and available in new designs. Providing quality products at a reasonable price is the USP of our company. We have a well developed distribution network that enables us to make our products available to our clients spread in various parts of the country. Owing to this huge distribution network, we have developed a large client base. In these years, we have acquired renowned clients like Kamani Oil Industries and many others. Under the able guidance of our mentor and Chairman **Mr. Eknath N. Phulare**, we have carved a niche in this industry. He is a man with a huge industry experience of 20 years. It is due to his vast knowledge and sharp business acumen, we are able to hold a remarkable position in this industry arena.
